KRISTEN COVINGTON: DIRECTOR OF RECRUITMENT AND EMPLOYER DEV.

Kristen Covington is our new Director of Recruitment and Employer Development. Director Covington graduated from NCCU School of Law in 2019. She is licensed to practice law in Washington D. C. Ms. Covington has experience with the NCCU Career Services and Professional Development Office. Specifically, she was able to work with employers to gain insight into the skills needed for interns and future associates. She worked with faculty and alumni on professional development endeavors for our students and graduates. She has a passion for higher education and enjoys helping students navigate the law school process while helping to make sure they are interview ready. Ms. Covington's key role will be to develop relationships with employers to enhance our summer associate and internship placements for students as well as full-time opportunities for graduates.

Mentoring Highlight

DENISE BENNETT

Denise Bennett, 2L, decided to join the NCCU School of Law Mentoring Program because she wanted the opportunity to firm up her resume, training, and to learn about career paths she may be interested in exploring. Ms. Bennett was thrilled to be paired with a reference librarian/professor as her mentor who had also taken the Veterans Law Clinic. Ms. Bennett would recommend that other students take advantage of this chance to have a mentor as it has been very beneficial to her.
