

Office of Career Services and  
Professional Development

# Newsletter

Greetings Legal Eagles,

On Wednesday, September 7, we had a great turnout for the Career Services Open House co-sponsored by SBA, Student Services and the Wellness Office. Students were able to drop by anytime between 12-2 and meet the career services staff. At noon there were presentations and introductions from SBA and Student Services.

We also had a professional dress demonstration with student volunteers. There were career services swag raffle prizes given out at the top of each hour. During the noon hour, there were department store raffles given out for K&G, Macy's and Men's Warehouse. Thank you to everyone for their participation!

James E. Shepard, Founder
